The Vanishing Americans Untold Fact In Forrestal Case

American leaders have been vanishing from the Washington scenes one by one since 1932 through various diabolical methods planned by the New Deal Commicrats and Zionists until today we are faced with the reality of having no leadership at all. Before General MacArthur was fired the invisible government managed to knock off every real American leader with little or no protest from the people. Through the control of the press, radio, T.V. and government controlled agencies the Zionists-Marxists maneuvered into key positions Pendergast men, Zionists, and Communists with a general plan of action to establish a Socialistic Welfare State through the means of bankruptcy, taxation and wars. The courageous leaders who have stood up to the representatives of the Invisible Government have been attacked so heavily and smeared so badly that only a few of them are left to talk about it. It is obvious to the writer that not all of these courageous men actually knew what they were fighting. They knew that there was coming to America an insidious movement alien to the freedoms which has made our country strong, but few of them knew that this movement was an Invisible Government conceived by the devil and fostered by the World Zionists. One of these brave leaders who failed to see the iron fist before the satin glove was removed was James V. Forrestal. We have reprinted the "Untold Facts in the Forrestal Case" from the American Mercury, Dec., 1950 to give the reader a concrete example of how the Invisible Government works in taking over a country.

"Untold Facts In Forrestal Case"

In the twenty months since the destruction of James Vincent Forrestal, there has been a creeping realization in this country that what happened was much more than a poignant personal tragedy—that it was an historic national disaster in which a patriot with vision was allowed to be done to death by lesser men.

The disaster is made apparent by events. Louis Johnson, for whose accommodation Forrestal was destroyed, has been loaded with sins and chased into the briar patch. We have suffered 64,000 now or more casualties in Korea who might have been spared had Forrestal's policies prevailed. Thoughtful Americans are, therefore, remembering that it was Forrestal who struggled to arm this nation for its commitments, and

TO: THE CONGRESS OF THE UNITED STATES
The People of the UNITED STATES

vs.
HARRY S. TRUMAN, ET AL.
PETITION

Now comes Geo. W. Armstrong, and respectfully represents the following:

1. That President Harry S. Truman, Secretary of State Dean Acheson, and Justice of the Supreme Court Felix Frankfurter are traitors and should be impeached and prosecuted;
2. That the members of the firms of Kuhn, Loeb & Co., and Lehman Bros. Co., and the members of the B'nai B'rith, Anti-Defamation League, Anti-Nazi League and American Jewish Committee are working with forces to overthrow this country and should be prosecuted.
3. That the Zionists are aliens and are citizens of the State of Israeli and that they are communists and should be banished;
4. That the purpose of said traitors and Zionists is to destroy our system of government, and create a Zionist super state; that in pursuance of said purpose they fraudulently established the United Nations and created the Atlantic Pact, and caused our government to intervene in the Korean war.

WHEREFORE, I pray you to impeach and prosecute the traitors and to cancel our membership in the United Nations and the Atlantic Pact. I respectfully submit the following brief and argument in support of these allegations.

Gen. MacArthur Understands The "Invisible Gov't"

By - Robert H. Williams

Editor of "Williams Intelligence Summary"

Whether MacArthur permits his name to be entered into the presidential campaign next year or tries to fade away into private life, he already has launched a long needed spiritual revival—a revival of personal honor and glorification of service to country characteristic of the Anglo-Saxon tradition.

Robert H. Williams

His appeal has been such as to awaken the old virtues—courage, love of country, integrity—and thus revives in the hearts of millions, the high regard for public service noteworthy in the example of George Washington. He has rallied a discouraged, confused and leaderless people in a revival of heroic Americanism which seems likely to sweep into oblivion the Democratic New Deal and Republic Me-Too internationalists.

The American people long had scanned the horizon for a savior. Most of them had not yet come to understand the alien character of the subversive invasion, but they knew that the White House and the State and Defense departments offended the nostrils. Mr. Truman could no longer hide the espionage, subversion and perversion of his Communist and Zionist backers behind his red herring. He no longer could pacify parents whose sons might be sacrificed in a needless and apparently endless "police action" in Korea.

COMMUNISTS SMEAR HIM

Though always the natural opposite of all the alien New Deal stands for, MacArthur might have

Representative Clarence Brown is an honest man. He stands for the principle—special privileges for none, equality of treatment for all. Accordingly, at the June 14th closed meeting of the Buchanan Committee he made what he considered to be a fair suggestion; he also may have signed his own political death warrant.

"I believe we should investigate the B'nai B'rith," Congressman Brown told his colleagues. "They are doing a lot of lobbying and are behind a lot of this stuff. They've been pretty active you know. I just can't conceive how you arrive at certain people and leave other people out."

"I am against anything like that," snapped Chairman Buchanan. "If we investigate one religious group, we'll have to investigate all the others." And that was the end of that.

Chairman Buchanan's argument was completely false. He knows better. The B'nai B'rith is not a religious group. It is a fraternal organization that is powerful in politics. It helped to elect Buchanan to Congress.

The Jewish Family Almanac says: B'nai B'rith does a great deal of important work in the political

THIRD ZIONIST WAR

Our present war with Russia and China is obviously our Third Zionist War. All three of them were for the same purpose, viz: to establish a Zionist World Empire. All of them were initiated by a shocking disaster to arouse us to war: the first one by the sinking of the passenger ship Lusitania; the second by the destruction of our Pacific fleet at Pearl Harbor; and the third by the Korean attack. The first resulted in the League of Nations, the second in the United Nations, and the third is obviously intended to convert it into a Zionist World Empire for the pretended purpose of preserving peace.

THE ZIONISTS OF NEW YORK AND MOSCOW INSTIGATED THE WAR

The North Koreans as well as the South Koreans are victims of the machinations of the Zionist communists. It is unfortunate that the Koreans must suffer. They have been betrayed into this fratricidal war by the Zionist communists of New York and Moscow. We should strike boldly to destroy the head of the snake and not its tails. **Bomb Moscow** with the atomic bomb and not the Chinese or the Koreans, and hang the New York and Washington Zionist traitors. There will never be peace on earth until Zionism is destroyed. Its mission is to destroy Christianity and to destroy and enslave Christians.

WHY THIS WAR?

The Zionists pretended that the Korean war was to establish free elections and a democratic government in Korea. They represented that the North Koreans are communists and the South Koreans are democrats. That is all we know about them. The North Koreans are savages and the South Koreans may be also. The North Koreans murder their prisoners and the South Koreans murder non-combatants, according to press reports. They fight to the death rather than surrender. **It is at best a brutal savage war with savages, for the alleged purpose of compelling them to establish a democratic government. It is in fact a Zionist war for the purpose of establishing a Zionist Empire.**

The armies of communist China joined the North Koreans and at this time (March 1, 1951) they are reported to be losing and retreating. Our casualties have been heavy and we appear to be in for a long destructive war. It may be a life and death struggle between Christians and communists, and between freedom and slavery.

While the President called our intervention "police action," his message to Congress and his press interviews and his conduct reveal it as war. It was necessary to color it as "police action" to give it the semblance of legality, for the President under our Constitution has no power to declare war; that is the exclusive province of Congress. It is in fact war, and a war initiated by the President and his advisers, Dean Acheson, Felix Frankfurter, David Niles, and other Zionist traitors.

We are a gullible, charitable, unsuspecting Christian people, and are easily deceived. We excuse Roosevelt because he was in poor health, and Truman because of his early training as a Pendergast ward heeler and because of his ignorance. But they both had sense enough to select their associates, and they both selected Hiss, Niles, Acheson, et al.

CHINESE NATIONALISTS

The Associated Press of Nov. 30, 1950 reported General Claire Chennault, retired, formerly of the Flying Tigers, as saying that the Chinese Nationalists are good soldiers and will fight with and for us; and that only 1% of the 450 million Chinese are communists. That is less than the percentage of traitors in our own country. He said also that Chiang Kai-Shek is a patriot of great integrity.

Chiang Kai-Shek offered to send 33,000 trained soldiers to Korea, which is more than all of the other 52 nations offered or contributed. Truman and Acheson not only rejected the offer but stationed a part of our Navy in the strait between China's mainland and Formosa on condition that the nationalists stay out of the war. In spite of it, the nationalists appear to be waging a successful guerilla war.

Truman and Acheson evidently plan to deliver Formosa and the Chinese nationalists to the communists through the United Nations or a four-or seven-power treaty. The British government is

DAVID NILES, ZIONIST, QUILTS

David K. Niles (Neyhus) was placed in the White House by the Zionists to see that F.D.R. carried out the Zionist plan. He stayed on to direct Truman in the plan to turn the entire world over to Zionist rule. From the White House he kept Felix Frankfurter informed on all important matters in which the Sanhedrin were interested. David Lilienthal, Louis Strauss, and Robert F. Bacher, Zionists, who fought to stay on the Atomic Energy Committee, also resigned after the Soviet Union secured the atomic secrets. Has Niles also completed his job? During the many years Niles has been advisor in the White House, it has been impossible to reach Truman with petitions or exposures affecting Communism. Truman has stated he does not read newspapers, listen to radio or television except when his daughter sings — apparently he has been a virtual prisoner hypnotized by Red Jewish advisors such as David Niles, Leon Keyserling, Presidential Economic Advisor, and Robert Nathan. Why is it that Zionist Jews are always the advisors and the government goes deeper and deeper in debt and makes blunder after blunder while Communism sweeps over the world.

a socialist, pro-Zionist government dominated by the Rothschild money trust, as is our own. It recognized communist China for the alleged purpose of protecting its interests in Hong Kong and Malaya. It would, no doubt, vote to deliver Formosa and the nationalists to the bolsheviks. France is at best an uncertain and unreliable member of the United Nations and the Atlantic Pact.

It is reported that the French have changed their government sixteen times since 1944. The government of France is now engaged in a losing war with the communists of Indonesia and want and need our help. The French and British governments are so indifferent to their own security as to oppose the re-armament of Germany, which is necessary for their protection. Both the French and British will agree to surrender Formosa to the communists if by doing so they can promote their commercial interests. They are not interested in protecting Formosa for the protection of the Chinese Nationalists or for our protection; nor are President Truman and Dean Acheson and Secretary of Defense George C. Marshall and the Zionists interested in doing so. They want to change our system of government and to establish a "welfare state."

Be it remembered that the Nationalist Government is in Formosa because of the treachery of our State Dept. We promised to furnish them munitions and supplies for waging their war against the communists on the mainland. They were compelled to go to Formosa because our State Department failed to carry out its agreement at a critical period of the war. It was cold-blooded treachery for the purpose of communizing China, for which no one has yet been punished.

It is the duty of the 82nd Congress to establish an impartial tribunal of competent men to ascertain the truth, the whole truth, and nothing but the truth about the criminals who initiated the second world war and also the Korean war. They should be empowered to investigate the Zionists and their organizations, viz: the B'nai B'rith, Anti-Defamation League and Anti-Nazi League, et al. If they are found to be Communistic, their members should be banished.

THE PRESIDENT'S MESSAGE OF JULY 9, 1950

President Truman sent a message to Congress

on July 19, 1950, requesting authority to mobilize the resources of the United States in support of the United Nations. In his message he said 52 of the 59 nations had pledged their support. He described our support of the South Koreans as "police action" to enforce the orders of the United Nations. On the request of President Truman the United Nations appointed General Douglas MacArthur commander of the United Nations Army. It is estimated that we supplied 150,000 combat troops, South Korea 100,000, all other countries 24,300; and that to date we have had about 50,000 casualties. This is more than twice the number of troops furnished by the other 52 nations of the United Nations that signed the resolution on Korea. It is estimated that we have furnished 95% of the supplies for the army. Less than a dozen nations have supplied anything.

The President, in his message to Congress of July 19th, said:

"Already aircraft of two nations: Australia and Great Britain, and naval vessels of five nations: Australia, Canada, Great Britain, the Netherlands and New Zealand, have been available, for operations in the Korean area."

He also said:

'RIGHTS OF MAN' GROUP FOLLOWS RADICAL LINES

An organization which has recently come to the attention of COMMON SENSE is the "International League for the Rights of Man" a supposed United Nations consultant body. Chairman of the ILRM is Roger N. Baldwin, former executive director of the American Civil Liberties Union.

Roger N. Baldwin has been affiliated with 40 or more Communist-fronts in the United States, and it is only possible to guess at the status of ILRM.

Untold Fact In Forrestal Case

(Continued from Page 1)

there is a growing inclination to look again at his crucifiers and their cloak-holders—at those whom *Time* Magazine identified as “disgruntled politicians, Communists, Zionists, and gossip columnists,” and whom *The Saturday Evening Post* labeled “an ill-assorted group of ideological libertarians.”

Much of the truth has thus far been suppressed, but the ghost of Jim Forrestal is not going to be laid until there are reasonable answers to such questions as these:

Why was the attack on Forrestal so reckless and sadistically savage?

Why have his papers been held secret?

Where is the report of those who investigated his death?

Why was the deposed Defense Secretary held a virtual prisoner at Bethesda Naval Hospital—a prisoner who could not be visited by his own priest?

The American people can expect some of the truth within the next few months. Unless the Administration can prevent it, there will be a Congressional investigation. There will be publication of such of the Forrestal papers as can be wrested from a Defense Department now headed by General George C. Marshall. Meanwhile, this most recent evidence gathered by *The Mercury* may be helpful.

The Communists, both American and European, had good reason to hate Jim Forrestal: he hated them. He emerged from the Second War dedicated to the destruction of Communism. He had opposed every concession to bring Russia into the war against Japan. He fought General Marshall's effort to force Chiang Kai-shek to coalesce with the Chinese Communists. He battled those men in the State Department who tried to give the Mediterranean to Russia. Forrestal sat up nights figuring ways to fight Communists. And he was not only willing to fight them fairly: he was willing to fight their way.

Such activities by the Defense Secretary were unknown to the American people, but they were well known to Communist agents in Washington. And these leaders hated and plotted against Forrestal because he hit them where they are weakest: in the venality of their own members. He showed them that two can play their game of justifying means with ends.

A complete report on this phase of Forrestal's tremendous activity will be instructive . . . and it will also explain some of the “sadistic savagery” of the attack on him.

While the Communists were plotting his political, if not his physical, death, Forrestal incurred the hatred of American Zionists. According to the *Nation*, the Zionists “deplored Forrestal's apparent willingness to place the oil of the Near East above the requirements of political justice in Palestine.”

Forrestal explained his position in a letter: “If we are to safeguard Western civilization in this crisis, the British and American fleets must have free access to Near Eastern oil. That is a fact, however unpleasant it may be. When there is a crisis aboard a submarine, we close bulkhead doors and drown a third of the crew in order to save the other two-thirds. I am interested in political justice in Palestine, but this

interest must remain secondary to my primary interest, which is the protection of America and the West from the gravest threat we have ever faced. No minority has the right to jeopardize this nation for its own selfish interest.”

The Defense Secretary invited Leftist animosity when he opposed the “Morgenthau Plan” for the destruction of German industry. The plan is now almost universally acknowledged to have been ridiculous.

These twin positions caused a number of writers including Drew Pearson and Walter Winchell, to join in what *The Saturday Evening Post* described as “reckless and sadistically savage” attacks on Forrestal.

Despite the Zionist hatred of Forrestal, when the private money was being raised for the Italian and French crisis, Forrestal's Jewish friends contributed eagerly and generously.

In the fall of 1948, the rest of the United States was engaged in a political campaign, but Forrestal was engaged in a campaign against the Kremlin. It was the year of the Italian elections, the French strikes, the continuing unification battle, the Berlin blockade. Forrestal, with his incredible energy, worked night and day, including Sundays. In ten years in Washington he had three days vacation. He knew from intelligence reports that the Russians had ventured the Berlin blockade because the United States was in the turmoil of an election. He wanted desperately to keep the Defense Department out of the political campaign.

Forrestal was a Democrat. His father, an Irish Catholic contractor at Beacon, N. Y., had been a “Cleveland man.” Jim Forrestal, at Princeton, and during the years when he had made himself a millionaire in Wall Street, had remained a Democrat and a party contributor. At Roosevelt's invitation he had resigned his \$180,000-a-year job in 1940 and plunged into public service with all his characteristic energy. He was admired by such diverse individuals as Harold Ickes and John D. Rockefeller Jr.

Forrestal's relations with Truman were friendly but not warm. Forrestal was no poker player, no political opportunist, no professional Legionnaire, no practitioner of the expedient: he was busy and serious. It is possible that he, with his first-rate brain and immense, world-wide experience, was somewhat contemptuous of Truman, but he never revealed it. Instead, even when the President flatly refused to support the \$17-billion budget for the services, Forrestal did not resign but remained loyal.

However, as Defense Secretary in so dangerous a period, Forrestal was convinced that he should not take an active role in trying to re-elect Truman. This enraged the political gang around the White House. They reasoned in this manner: they needed money; Forrestal was the big shot in the Cabinet; he was a millionaire Wall Streeter; he had rich friends; he ought to raise money for Truman.

Thus began the slanders and libels that Forrestal was disloyal to Truman; that he had contributed nothing to the campaign; that he had made a deal with Dewey. All of these were lies. He was completely loyal. He contributed \$6,000 of his own money to the campaign; he asked a number of his friends to contribute. Truman knew of his contribution; so did Louis Johnson. Two reputable Republicans can testify that he refused to discuss even the possibility of his remaining in a Dewey Cabinet. But dedicated as he was to the war against Communism, he did refuse to black-jack Defense Department suppliers for campaign funds.

One White House pseudo-military figure remarked: “Yeah, that rich s. o. b. has raised a million bucks to buy votes in Europe, but he's giving us chicken feed to buy votes for Truman.”

It would, perhaps, have been better for the country if Forrestal had called in his wealthy friends and explained that he had to raise a million dollars in order to safeguard his job. But he didn't; Louis Johnson did; so Johnson became the candidate of the Missouri Gang for Defense Secretary.

The day after Truman's inauguration in 1949, the campaign to “get Forrestal” was thrown into high gear. The country has seldom seen its like. The Communists, the “ideological libertarians,” the Missouri Gang and the columnists manned the mud buckets.

Forrestal was accused of having defrauded the Government in a tax case. He was, of course, a Fascist, a warmonger, a racist, a bedfellow of I. G. Farben and the German cartels, he bathed in oil—Near Eastern variety—and he

smirked over the murder of Jewish babies by Arabs. He was a renegade Catholic; and, as a climax, Pearson reported that he was a personal coward, that he had once abandoned his wife to burglars and run out of the back of the house.

At the height of the campaign a New York publicity agent was heard reassuring a client: “Don't worry: that s. o. b. will crack up in thirty days. He can't take what we're dishing out to him.”

Why was it necessary for them to discredit Forrestal? He had tendered the customary resignation to Truman. Why didn't Truman just accept his resignation?

There are two explanations. In the first place, Truman had frightened Johnson by vacillating. When Forrestal had visited Truman after the inauguration, expecting to be fired, Truman had surprised him by saying: “Jim, I want you to stay with me. I know what you're doing, and I want you to stay on and complete the job. You have my complete support.”

Truman kept stalling Johnson during January and February, and there was one bitter night for Johnson in New York when he was convinced that Truman, like Roosevelt, had betrayed him and that he wouldn't get the job.

So, in the first place, Forrestal had to be discarded in order to safeguard the job for Johnson; and, in the second place, he had to be discredited in order to make it “politically safe” for Truman to fire him. In present-day politics you can't fire a man without first maligning him.

Under different circumstances Forrestal probably would not have been upset by vituperation. But he was now a dedicated man; he was emotionally involved in his crusade to make this country strong. He regarded Truman and Johnson as political opportunists, neither of whom would hesitate to trim sail in an adverse wind. He didn't believe that either Truman or Johnson understood the realities of the world conflict. He had dedicated himself to trying to increase this country's armed force; he had defied the pressure groups; and he felt, quite correctly, that Truman and Johnson would yield to the pressure groups and actually decrease the country's armed force.

This, of course, is exactly what Truman and Johnson did—once Forrestal was destroyed—and this is the essence of the Forrestal tragedy.

The conflict raged through January, February and March, for by the middle of January, Forrestal's friends had begun fighting back. They spent \$35,000 trying to counteract the Winchell-Pearson campaign.

Forrestal's friends also tried to divide the pressure groups. The National Association for the Advancement of Colored People had been brought in against Forrestal, with Walter White charging that the Defense Secretary had “delayed the end of segregation in the armed forces.” To counteract this, the Urban League, another organization aiding the cause of Negroes, came vigorously to Forrestal's defense. The Urban League had assisted Forrestal in combatting Communism among Negroes on our ships.

Responsible publishers tried to come to Forrestal's aid. Eugene Meyer dropped Pearson's anti-Forrestal columns from the *Washington Post*.

Because Forrestal had been reared in a Catholic home, then had drifted away from the church and married a divorcee, he was attacked as a “renegade Catholic.” The office of Cardinal Spellman, which perhaps had not been entirely unaware of Forrestal's efforts in Europe, rallied to his defense. To show that the church backed Forrestal, it was first planned to award him an honorary degree at Fordham, but this couldn't be done until May, and Forrestal needed help in March. So it was hastily arranged for him to address the Friendly Sons of St. Patrick in New York on St. Patrick's Day.

At the St. Patrick's Day dinner, Cardinal Spellman, lauding Forrestal, went to the unusual extent of endorsing universal military training. If the Defense Secretary, the Cardinal said in effect, believes that this measure is necessary in this grave hour, then he has my support.

Forrestal's address was a sad affair, for after ten weeks of such buffeting he was a fading man. Truman had demanded his resignation within forty-eight hours. He wanted the resignation to be as of April first, but he wanted it in hand within forty-eight hours. Forrestal's first decision was to state his case in a long letter and release it to the press, and he asked his advisors in New York to prepare such a letter. Then he changed his mind and dictated his own brief resignation.

During March Forrestal appeared dazed and depressed. His friends thought he might have been drugged. He talked sadly about how America was going the way of France; he predicted

THE KOREAN WAR WAS By Truman, Acheson, Marshall In

Their successful method has been "To talk one way, but do another." (Budzyn testified that the secret formula agreed upon in Communist meetings with Lattimore was "That they would talk one way but do another.")

By this method of deception, they "talk against Communism, but act for it."

They have successfully deceived even their opponents, who have considered the Truman-Acheson-Marshall actions "bungling" whereas they have been "with design."

Truman-Acheson-Marshall have done everything to help Communism at home and abroad, namely:

1. Refused to discharge thousands of Communists on Government payrolls.
2. Refused to lock up a single Communist since passage of Communist Control Act (passed over veto) thereby allowing them to infiltrate our defense plants.
3. Hire to represent U.S. on United Nations, Gustavo Durand at \$11,700 per year, who is a former head of a Russian Secret Police So-

ciety in Europe and who murdered Christians in Spain.

4. Refused to allow access to information in Government files in the trials of alleged Communists.
5. Tried to discredit the Hiss and Remington trials, calling them "red herrings."
6. Dumped into the sea 120,000 tons of ammunition (which we had stored in India after the last war) rather than give it to the Chinese Nationalists.
7. They gave China to the Communists in 1947 by sending Marshall there with the following instructions from Acheson, which Marshall carried out.
 - (a) Placed an embargo on American and British arms to Chinese Nationalists.
 - (b) Forced Chiang Kai-Shek to open the Kailashan Mountain Passes, through which Russian arms then flowed to the Chinese Communists.
 - (c) Forced Chiang Kai-Shek to reduce his army by one million men, most of whom then joined the Chinese Communist Army, to not be out of work.

(d) This resulted in victory for the Chinese Communists, and the retreat of the Chinese Nationalists to Formosa.

8. Truman-Acheson-Marshall made the Korean War as a "pretext" of fighting Communism, whereas they intend it to end in a Communist Asiatic victory over Korea, Indo-China, Thailand, Formosa, and finally over India and Japan.

(a) To bring on the Korean War, they purposely did not arm the South Koreans and withdrew our troops, altho they knew the Soviet Union armed the North Koreans.

(b) They would not heed Admiral Hillenkoetter's warning of invasion, but Acheson announced in Jan., 1950, that we would not defend Korea nor Formosa.

(c) They knew the Soviet Union would then attack via North Koreans, and Truman then put our troops there "without consent of Congress" in order to start the war as a "pretext" of fighting Communism, intending the Communists to win.

Third Zionist War

(Continued from Page 2)

"This outright breach of the peace in violation of the United Nations Charter created a real and present danger to the security of every nation; . . . it was a clear challenge to the basic principles of the United Nations."

He also said:

"The speed, the scale and the co-ordination of the attack left no doubt that it had been plotted long in advance."

He said that the United States was "going to the aid of the nation (Korea) established and supported by the United Nations and unjustifiably attacked by an aggressor force."

He said further:

"For our part we shall continue to support the United Nations action to restore peace in the Korean area. . . . We are determined to support the United Nations in its effort to restore peace and security. . . . We have also taken action to bolster the military defenses of individual free nations, such as Greece, Turkey and Iran."

The President also said in this message:

"I will transmit to Congress specific requests for appropriations in the amount of ten billion dollars."

He asked Congress to enact legislation authorizing the government "to establish priorities and allocate such materials as necessary to promote the national security and the increase of taxes, as our basic weapon in offsetting the inflationary pressure exerted by enlarged government expenditures, and to control credit." He said further that "if a sharp rise in prices should make it necessary, I shall not hesitate to recommend the more drastic measures of price control and rationing."

These are the powers of a dictator which the President proposes to invoke to enforce the "police action" of the United Nations. If granted they will not end soon. Certainly not until the "police action" is ended. He obviously aspires to be our dictator.

The President's message was received with acclaim by Congress and the press. They approved the defiance of Russia and the apparent repudiation of the Asiatic program of the Secretary of State and the appointment of General MacArthur as Commander-in-Chief.

The President's message plainly implied that the Korean invasion has been and is being prosecuted and directed by the Kremlin. If so, it means a long and costly war. It may mean the death of millions of men and the probable destruction of our government.

Dear Mr. McGinley:

I received the 30 copies of COMMON SENSE and have mailed them out. Before I mailed them I wrote across the top: "Please do not destroy this. Give it, or mail it to someone. The Communists have thousands of workers and we need thousands to defeat them."

Dear Mr. McGinley:

The situation grows worse with every hour. How can we expect to win this war with all the enemies in key positions in our government? Please send me copies of the January 1st issue; like to send it to Senators, etc. If women would rally together and organize the mothers and wives of servicemen they would do the job of cleaning house in Washington.

James W. Gerard, a former United States Ambassador to Germany, said on October 8, 1934:

"As a friend of the Jewish race, I want to state that, if ever the American nation gets the idea that the Jewish race and Communism are synonymous, there is the possibility of a pogrom in the United States that will make those of the Czars look like a small parade."

"We have exterminated the capitalists and property owners in Russia. We are going to do the same to the intelligentsia of Europe and America."

—Zinoviev, Chairman of the Communist Third International (Congressional Record, Dec. 19, 1925)

Colonel Charles Lindbergh

Is our Lord using General MacArthur to give Christians an opportunity to save themselves from wholesale slaughter and brutal slavery? The destiny of world civilization now depends on the United States for it is the only country with sufficient strength to oppose organized world atheism.

General MacArthur has all the qualifications of a good leader. However, if it develops that he does not run for President, we should not be so foolish as to trust America's survival to a mere politician. There must be a crusade led by a man who cannot be bought or bluffed. Col. Charles Lindbergh and General MacArthur are made of the same kind of steel. The intelligence, character and backbone possessed by General MacArthur is fresh in the minds of all. Another good brain, combined with patriotic wisdom, honesty and courage, is that of Col. Lindbergh. Each of these men has many enemies — the same enemies, the enemies of freedom.

Marxism tolerates only those leaders who carry out its plan. World Zionism, backed by such powerful Jewish bankers as Kuhn, Loeb &

Secret Cooperation With Zionism

- (d) In order to arrange a Communist victory, they
- (1) Do not allow us to bomb Manchurian Communist Sanctuary.
- (2) Do not allow us air reconnaissance over Chinese coastal cities.
- (3) Do not allow our 7th Fleet to blockade Red China coast, which would stop the war by shutting off Red China's oil supply.
- (4) Do not allow 1,000,000 South Koreans of military age to have arms to fight, altho they are in training. Decree Americans must die instead.
- (5) Do not allow 600,000 Chinese Nationalists on Formosa to invade China.
- (6) Lattimore said "We must let South Korea fall, but don't ever let them know we pushed it."
- (7) When Asia has fallen to the Communists, Europe is next to fall.
9. Truman-Acheson-Marshall intend to make the European War as a "pretext" of fighting Communist victory in Europe.

- (a) Truman insists on his claim to the right to put troops in Europe without consent of Congress, just as he did in Korea, for purpose of starting the war.
- (b) That is why Truman-Acheson will not admit 1½ million willing Spaniards to a European Defense Army. They do not want us to win against Communism.
- (c) That is why they want us to be involved in a hopeless "Land War" in Europe, where the Soviet Union with 300 Divisions will wipe out 40 Allied Divisions.

To anyone but an idiot, it should be clear that "By talking one way but doing another" the Truman-Acheson-Marshall friends of Marxism, are turning over the world to Zionism in their long range plan, which started with the sell-out of China to the Communists in 1947. Their every action helps Communism, hurts our country. How long does it take you to see the real truth? Wake up, America, and put the deceivers in the penitentiary, for treason.

Ninety-nine percent of the people are for MacArthur, because he is for our country. Democrats

who side with the Administration are not Democrats but friends of atheistic Communism.

Will we have an election in 1952? Not unless the traitors are locked up.

The secret plan of the Truman-Acheson-Marshall plotters is to keep the Korean War going by restrictions which prevent our winning it, and to thus use up our American manpower against the inexhaustible hordes of China and when America's manpower and money are gone, then the revolution, bloody or bloodless will take over in the U.S. America! Awake! Can't you see their plan! If you can't you are done. Judge by the record and you can come to no other conclusion.

TIME IS RUNNING OUT. ACT NOW TO THROW OUT ALL CONGRESSMEN WHO SIDE WITH THE TRUMAN-ACHESON-MARSHALL TRAITORS OR OUR COUNTRY IS GONE!

Write Your Congressmen to Either Throw Out the Traitors or be Thrown Out!

TELL YOUR FRIENDS AND NEIGHBORS THESE FACTS!

General Douglas MacArthur

Co., Lehman Bros., Goldman Sachs, have subsidized and enslaved such dupes as Truman, Dean Acheson, General Marshall, General Bradley and General Collins to the extent that our military is controlled by anti-Christian Marxists such as Baruch, Anna Rosenberg, and Felix Frankfurter. Systematic persecution and smear, for the past eighteen years, has driven from public life those who were capable of national leadership.

Today this country has need of fearless, honest leaders. Men of the calibre of General MacArthur and Col. Lindbergh. Either of these patriots could be elected as President by making only six speeches — one in Boston, New York, Washington, Chicago, and in California and Texas. Real Americans stand up and be counted! Let us go on with the crusade for America!

(Readers will wonder why a later photograph of Col. Lindbergh was not used. When Col. Lindbergh mentioned who was pushing us into World War II to break down Europe for Communism, the Anti-Defamation League forbid the press to give publicity to Col. Lindbergh. Hence the difficulty in securing late pictures).

field, especially through its Anti-Defamation League."

Only two months before this Buchanan Committee meeting, B'nai B'rith was given an editorial dressing down by a leading New York newspaper, the Jewish Daily Forward, for the "pro-communism" and "libels against America" which appeared in its monthly magazine.

Communist elements are in control of the Anti-Defamation League of B'nai B'rith. It does yeoman service for the Communist cause. It maintains a lecture bureau that features Communist Party-line speakers. Its literature is authored by a stable of Communist frontiers. It breeds intolerance. It fosters bigotry and race and religious prejudice. It persecutes pro-Americans. Its principal targets are anti-Communist. Its weapon is the smear terror.

It is a Nazi-like, un-American Gestapo. It is a Jewish Ku Klux Klan.

But it is not representative of the Jewish community. Respectable Jews are ashamed of it. Alert Americans of the Hebrew faith bitterly denounce it.

It is by far the most anti-Semitic of any group in the country, because its activities do the gravest injury to the Jewish people.

It is headed by former New York Supreme Court Justice Meier Steinbrink, and has other substantial window dressing, but its controlling clique consists largely of thieves, spies, racketeers and character assassins.

Its principal mouthpieces and hatchet men are Walter Winchell, who has financed the distribution of Communist propaganda attacking the House Committee on Un-American Activities, Drew Pearson, who was recently accused in the Senate of using his column and broadcast in the service of the Communist Party, Robert Allen, whose column is composed mainly of Red-tinged smears of good Americans, and Frederick Wolfman, a Scripps-Howard feature writer who was kicked off the faculty of the University of Pittsburgh for his Red activities, and who, like the others, hides his Communist Party-line propaganda behind a lot of phony "Anti-Communist" double-talk.

During an interview at the time of the Buchanan hearings, Westbrook Pegler asked Chairman Buchanan why he did not investigate the Anti-Defamation League. In an unguarded moment Buchanan blurted out the truth. He said he "didn't dare."

Buchanan was perfectly right. The con-

sequences of any attempt to investigate the Anti-Defamation League would have been devastating.

So the Buchanan Committee investigation ended without so much as a questionnaire's being sent to this super-lobby—with its annual budget of \$7,000,000.

The Anti-Defamation League is the most powerful lobby—the most powerful and dangerous influence in the country. It is more powerful than the Congress of the United States.

On October 19, 1949 Representative John E. Rankin proposed an investigation of the ADL and offered a bill that would make it a criminal offense to belong to this organization under penalty of \$500 fine and a year in jail. The bill died in committee.

Investigate the Communist-aiding Anti-Defamation League which was the real power behind the Buchanan Committee?

UN NEST OF SPIES

The U. S. Should Get Out of U. N. and Get the U. N. Out of U. S.

The U. N. was inspired and set up by Marxist plotters and traitors like Alger Hiss to level down all governments and establish a Marxist "world government" — World Slavery.

Trygve Lie, Secretary General (and in that capacity boss of the U. N.) is Stalin's errand boy. Although classified as a Norwegian, he has been placed in the position he holds by the Soviet Union.

It is reported that 83 percent of the U. N. Secretarial Staff are Yiddish Zionists.

The U. S. taxpayers have been tricked into paying almost the whole cost necessary to support the U.N. nest of traitors. The U.N. has not benefitted the U. S. in the least, but is constantly hatching new plans to spend America's money through the world. The U.N. has tricked American mothers into furnishing nearly all the boys now dying in Korea, 7000 miles away from home, while the U.N. keeps our hands tied in fighting Communist forces.

George Marshall, the political General who fronts for the Zionists, now reveals that it was the U.N. which voted to forbid General MacArthur's planned bombing of 200,000 Communist troops concentrated two miles behind the 38th parallel in Korea. That vast army of Communist forces, protected by the U.N., safely prepared to attack American sons who died by the thousands through the treachery of Dean Acheson, General Marshall and "Red Herring" Harry, with the cooperation of the U.N.

General MacArthur calls the war in Korea "the accordion war." It could also be called the "Traitor's accordion war."

The U.N. building should be locked up, and its traitors sent home. It is time to give America back to Americans!

The Vanishing Americans Untold Facts In Forrestal Case

(Continued from Page 3)

that American troops would be fighting within a year.

He showed interest when friends discussed with him the proposed purchase of the New York Sun. It was their plan to make him editor of the Sun so that he could continue his fight against the Soviet threat. When he went to Florida it was with the understanding that he would become editor of the Sun after his recuperation.

On April first Forrestal attended the mammoth swearing-in ceremonies for Johnson. He wept openly. The President insisted on decorating him—and Forrestal wept while the President was pinning on the medal, for he considered the gesture an insult. He walked back with Admiral Denfeld, weeping, and he told the Admiral that he was going down to Florida to play some golf.

On April fifth, there was a telephone call from Ferdinand Eberstadt in Washington to Robert A. Lovett in Hobe Sound, Florida. Mr. Eberstadt reported that Forrestal was ill.

"Is he very ill?" Mr. Lovett inquired.

"He is very, very ill," Mr. Eberstadt replied.

Four hours later, just at dusk, the big Air Force Constellation the Dew Drop, circled and landed at a small, deserted field near Hobe Sound. Waiting was a single automobile in which were Mr. and Mrs. Lovett and Mrs. Forrestal. The door of the airplane was opened, the small ladder dropped.

"I looked up there and saw him standing in the door," Mr. Lovett recalls, "and he looked so pitiful. He was alone. And he didn't look like the man I had known at all. He looked like a little, old Irishman. His eyes were sunk, and I couldn't see his upper lip. As he came stumbling down that ladder I reached up and caught him under the arms."

After he had greeted the two women, Forrestal stood under the tail of the airplane and told Mr. Lovett that "they had gotten him, that he was being followed, that his telephones were tapped, and he broke into tears as he said: 'They're going to catch us unprepared, Bob; America is going the way of France.'"

During the evening he was quiet, but next day he was worse. Mr. Lovett telephoned Washington and Forrestal's personal attorney, John Cahill, of New York, arrived with Dr. William Menninger and Dr. George Raines. The illness was diagnosed as "occupational fatigue," and Forrestal was returned to Bethesda Naval Hospital.

Just what happened during the seven weeks Forrestal was at Bethesda may never be known, but here are a few of the strange, human, and tragic developments.

Forrestal, in his 16th floor suite, spent most of his time entirely alone. Mrs. Forrestal sailed for Europe on April 12th.

Two of the persons who visited the hospital and who were most interested in Forrestal were his older brother, Henry Forrestal, of Beacon, N.Y., and Monsignor Maurice S. Sheehy, of Catholic University, Washington. Henry Forrestal lives at the Forrestal home place and is a highly respected citizen. Father Sheehy, a Navy chaplain, was one of Jim Forrestal's closest friends.

Early in 1949, Forrestal had asked Father Sheehy, along with Henry Forrestal, to help him return to the Catholic Church. To facilitate this return, some investigation had to be made into Mrs. Forrestal's previous divorce, and this investigation was conducted by Henry Forrestal.

Forrestal was admitted to the hospital by Captain B. W. Hogan, and Captain Hogan noted that Forrestal insisted on being listed as a Catholic. His first request was to see Father Sheehy, for reasons not yet explained, Captain Raines, the psychiatrist in charge, refused this request.

On April 12th, Henry Forrestal visited the hospital and talked with his brother as well as with Captain Hogan and Raines.

"Jim looked much better than I expected," Henry Forrestal recalls. "His eyes seemed clear; he was sharp and incisive. He told me: 'I'll be all right. We'll pull out of this.'"

What worried Henry Forrestal was the confinement in Bethesda. He told Captains Hogan and Raines: "What my brother needs is not to be cooped up there on the 16th floor. He needs to be on an estate somewhere, among friends, where he can walk around in the sun. He has been an exceedingly active man."

Mr. Forrestal asked Captain Raines: "Is my brother fundamentally okay?" Captain Raines answered: "Yes."

Henry Forrestal also told the doctors that his brother wished to talk with Father Sheehy. Captain Hogan replied, according to Mr. Forrestal: "Yes, he has asked to see the Father several times. And, of course, he will."

On May 10th, 11th and 12th Henry Forrestal again visited the hospital. Meanwhile Father Sheehy had visited the hospital six times, each time asking to be allowed to see Forrestal and each time being denied permission by Captain Raines.

Henry Forrestal confronted Captain Raines and requested an explanation. Captain Raines, according to Mr. Forrestal, admitted that Forrestal had asked to see the priest. But Captain Raines wanted the priest to wait.

"How long do you want to wait, doctor?" Mr. Forrestal asked. "We have waited five weeks. Delays in such cases can be dangerous. Have you ever heard of a case where being visited by a clergyman has hurt a man?"

Father Sheehy, who is built along the lines of a Notre Dame fullback, is no man to be put off easily. After arguments with Captain Raines, Father Sheehy got the impression that Raines was under some sort of orders in the case, so he went to John L. Sullivan, Secretary of the Navy. Sullivan called Dr. Raines and was assured that Father Sheehy could see the patient "in time."

Henry Forrestal was also determined to obtain his brother's release from Bethesda. He felt that if he could get Forrestal out in the sun, on some estate, and allow Father Sheehy to talk with him, that he would recover quickly.

Father Sheehy, in opposing Dr. Raines, recalled statements by Dr. Jung to the effect that "out of hundreds of patients there was not one whose problem in the last resort was not that of finding a religious outlook on life. And again: 'No patient has been really healed who did not regain his religious outlook.'"

For Sunday, May twenty-second, Henry Forrestal had a travel reservation to Washington. He was going to make another effort to obtain his brother's release from Bethesda.

But it was too late. At 1:45 a.m. on Sunday, May twenty-second, Jim Forrestal escaped from his sixteenth floor prison to his death.

When he was buried in Arlington, Truman declared: "This great American was as truly a casualty of the war as if he had died on the firing line."

Father Sheehy declares: "Had I been allowed to see my friend, Jim Forrestal, receive him back in the Church, and put his mind at ease with the oldest and most reliable medicine known to mankind, he would be alive today. His blood is on the heads of those who kept me from seeing him."

Dr. Raines has nothing to say, though a formal demand has been made on the Navy by members of Congress for an explanation as to why Forrestal was denied the comfort of his friend and spiritual adviser.

Meanwhile, the people of the United States have paid in blood for the political opportunism which destroyed Forrestal. In a few years perhaps a monument may be erected to him, and a suitable inscription might be:

"Here lies a patriot who also possessed vision. In a period of crisis for his nation, when mediocrity was enthroned in Washington, he stood forth as a first-rate mind, a dedicated spirit, an inspiring Renaissance man who understood the realities of the world in which he lived, and who, scorning the opportunism, gave his energy, his mind and his life."

General Dwight Eisenhower

General Dwight Eisenhower, the politician who has been tamed and harnessed by the Zionist Invisible Government, — they own him. During World War II Eisenhower gave the order for our army in Germany to back up from Berlin and wait until the ape-men from the Soviet Union could rape the German women, carry off valuables, machinery, etc. in the thousands of lend-lease trucks Harry Hopkins and other traitors in our government had maneuvered to Communist U.S.S.R. He was an important factor in imposing insane "unconditional surrender" on Germany — now he wants the German people to trust him. This is the Ike who, while President of Columbia University, turned the Polish language department over to Communism causing Professor Coleman to resign. The Zionist masterminds are cleverly building up Eisenhower for President; it makes little difference to them whether he runs as a Democrat or a Republican. Eisenhower himself does not know which he is. He is a Marxist stooge and would make a more dangerous president than "grasshopper" Truman.

Mr. Gunther: Your Pink Is Showing!

Gunther is an individual who writes books such as "Inside Latin America," "Inside Europe," "Inside Asia," and "The Riddle of MacArthur." He should write one on "Inside Zionism."

In a very clever way, Gunther slants his books towards Communism—he criticizes Communism 10% and praises the Communist program 90% without openly admiring Communism.

It is always interesting to know the background connections of the bright fellows who manage to keep on the popular side while slyly plugging for world Marxism. It helps complete the picture, and show what group really launches the Marxist plans and "brotherhood" propaganda to keep Christians tolerant, quiet, and naive.

While the Gunthers lived in Russia, Mrs. Gunther told a very reliable source that her husband is part Jewish. Of course, she meant Yiddish, for those natives of Russia, who call themselves Jews are actually Khazars, or Yiddish.

It is the Yiddish-Khazar group (working under the pretention that they are true Jews) which created Bolshevism—now called Communism.

John Gunther, of course, like many other Marxists, has made much money injecting poison into the minds of people who do little thinking of their own. It should be enough for most Americans that Gunther's books have been praised by the Communist British Jew, Harold J. Laski, and the American Jewish radical, Clifton Fadiman.

Gen. MacArthur Understands The "Invisible Gov't"

Continued from Page 1)

become the recognized leader of the opposition but for Truman's myopic and vengeful firing of him. Both Roosevelt and Truman had followed a policy of allowing the potential memesis a comparatively free hand in the Far East to keep him from resigning and coming home. They seemed to recognize that there was not room for a MacArthur-at-large and the internationalist New Deal inside the same United States.

Some of us thought in 1948 that MacArthur was the man to save the Republic. It was privilege to be one of the volunteer lecturers urging his nomination for President and my wife was secretary of the MacArthur-for-President Club (of which the gracious and eloquent Louise Ward Watkins of Pasadena was president). President or not, MacArthur already is the leader we need.

No other man in our time has been the target of such a long and intense smear campaign. A former Communist named Pate, now anti-Communist, about two years ago revealed the origin of the smear. Pate said that in 1932 he was one of the Communist organizers of the Bonus Marchers, their original purpose being to discredit President Hoover (and thus make way for a candidate friendly to Communism).

You may recall that the Bonus Marchers got out of hand and finally some Washington, D. C., police fired on them. Four hours later President Hoover ordered the Chief of the Army Staff, Douglas MacArthur, to move them off the unsanitary Anacostia flats and out of the nation's capital.

MacArthur went among the Communist-incited vets, unarmed and without a guard. He found some who had served under him in the first world war and struck up a conversation with them. He emptied his pockets to buy food for their wives and children. And his troops moved them without firing a shot, despite frantic incitation to violence by vet leaders not then known to be Communists.

Pate said that he and comrades, taking orders by telephone from an "invisible" superior named Levine, launched a flock of deliberate fabrications to cut down the man who had shown such leadership. They and the infiltrated press said it was MacArthur who had ordered the firing on the veterans. They ridiculed his immaculate dress, though it is a point of pride with any good soldier to be immaculate. The tales spread and grew, and never were allowed to die.

During the recent war, though MacArthur was needed by the Communists and their New Deal front to save them, he was personally vilified because he was recognized as a potential rival of Roosevelt. All over the scattered islands of the Southwest Pacific, American soldiers suddenly broke out in a chorus of anti-MacArthur blurbs. They called him Dugout Doug. They recited a jingle ridiculing his inspiring promise, "I shall return." They said he ran away from his command at Bataan, though actually he had refused to leave till Roosevelt ordered him out and sent a PT boat to get him. They said he and Mrs. MacArthur had taken a cargo of luxuries aboard with them instead of using the space to evacuate personnel, but the fact is, they took hardly a change of clothing.

It was no accident that tens of thousands of soldiers on scores of islands scattered over a wide ocean suddenly began rhyming the same rhymes at the same time. Such campaigns originated largely in New York City, whence Communist wives and molls sent their letters to their soldiers on the islands. As the Counter Intelligence officer for a B-29 wing on Guam, I saw a similar stream of letters from Communist women in New York to their men in our unit, keeping them posted on the Communist "line."

The Hearst newspapers of April 23, 1951, quoted Prof. Louis Budenz, ex-Communist, in revealing how the Communist Party conducted the smear-MacArthur campaign from 1945 on. Budenz was editor of the Daily Worker in 1945 and thus was the central figure, or figurehead, in the smear operation.

The Hearst papers recently revealed also that President Truman now has put the Pentagon to work digging into every minute detail of the private and professional life of MacArthur for mater-

Scouting Around

By - F. L. Britton

John Garfield

It's an ironic fact that while anti-Communist sentiment is on the increase throughout the country, the House Committee on un-American Activities—which did so much to expose Communism in former years—is now falling down on the job. Although it has not been noticed by the national press, the present Committee is obviously an emasculated shadow of its former self.

Actually, recent hearings have uncovered little new about Communist activity, contrary to what the headlines would indicate. The rather impressive appearing list of Communist-fronters, released for publication in March of this year, is a re-hash of a list first published by the Committee in April 1949—almost two years ago.

Strangely, the Committee seems more anxious to clear suspected Commies of the now unprofitable Red taint than in digging up new evidence against them. All this supports the belief that the New Deal faction is using the Committee and its enormous prestige to undo some of the damage inflicted on the Reds in former years. Best example of this is the way the Committee handled the Larry Parks case.

Parks (star of The Jolson Story) admitted before the Committee that he had been a party member for four years, but disclaimed any sympathy

for Communism since 1945. This is in line with present party strategy. Posing as a young man with liberal ideas who had been taken in by the Reds, Parks pitifully begged the Committee: "Don't make me crawl in the mud." This, while thousands of G.I.'s were dying in the mud of Korea!

The sickening part of it all came when the Committee's Congressman Velde actually praised Parks for his "cooperation" and expressed the hope that his career would not suffer from the investigation. It was later brought out (but not by the Committee) that this Yiddish actor had engaged in pro-Communist activity as late as 1947 by campaigning to raise funds for the defense of the "Hollywood Ten"; nine of whom, incidentally, are Jewish.

The John Garfield incident is another example of the Committee's peculiar behavior. Garfield (JULIUS GARFINKLE) was given the opportunity to use the Committee as a platform from which to broadcast his "innocence." To hear Garfield tell it, he has no love for Communism, never did, thinks it is un-American, etc., etc. But the record shows he has belonged to no less than 11 Communist-front organizations; a fact which the Committee apparently ignored.

Communism is bad news at the box office these days. Obviously, both Larry Parks and John Garfield are aching in the pocketbook, but just why the Committee feels impelled to relieve their agony is hard to understand.

Now Louella Parsons has come up with the brilliant suggestion that the Committee clear Edward G. Robinson (EM-

MANUEL GOLDENBERG) of the Red taint. Robinson has belonged to 15 Communist-front organizations by the last count. Our Culture Jewish Controlled

It isn't generally known, but the fact is that America's culture (as well as her cultural outlets) has fallen almost completely under Jewish domination. For example, RCA Victor, subsidiary of the Jew-owned Radio Corporation of America, recently published a 76-page booklet for America's music lovers entitled "Words and Music."

They list the following soloists as the five prominent violinists in the country: Fritz Kreisler, Mischa Elman, Jascha Heifetz, Yehudi Menuhin, Nathan Milstein—all Jews. Not a single Gentile violinist is named in the booklet. Mentioned also are 19 outstanding harpsichordists and pianists—Alexander Brailowsky, Vladimir Horowitz, Wanda Landowska, Artur Schnabel, etc. Of the 19 listed, 12 are known to be Jews.

Incidentally, of the 26 major symphony orchestras in the U.S., 13 have Jewish conductors. If the Boston Pops and the NBC Symphony are included (neither technically a major orchestra) the count is 15 out of 27. These Jews are not contributing to our culture, they are strangling it.

Two of the main cultural outlets, Columbia Broadcasting Company (CBS) and National Broadcasting Company (NBC) are Jew controlled. And, did you know that the Yiddish Shubert family has controlled the legitimate theatre in America for almost 5 years? Did you know that Jew-controlled corporations dominate the movie industry? More of that in another issue . . .

ial which can be used to discredit him. We suspect that this is the Anti-Defamation League's David K. Niles, adviser to Mr. Truman, who is using the presidential office to further the Communist campaign of "character assassination", and we see that Drew Pearson and Zionist Senator Lehman malign MacArthur, while nearly all the Jewish papers smear or give him the silent treatment.

The newest smear "line" is that MacArthur as President would be a "man on horseback" a military dictator.

MacArthur will survive this campaign, too. He is too big for the gutter-sniping enemy.

A good many people have asked whether or not MacArthur understands the nature of the Communist conspiracy. One of his letters, published by the Los Angeles Examiner in March, 1948, seems to answer their question. In that letter the potential presidential candidate challenged the power of "any segment of our society designed to impose upon us an invisible form of government" and committed himself to "seek an America rededicated to our traditional concept of majority rule."

Regarding the smear technique he wrote: "I have long understood the nature of the forces that would be unleashed against me were I to indicate my readiness to answer any call to duty. . . The American Communist Party through its leader on December 8, last, publicly named me the primary target of the Communist attack. . . This is the identical minority tactics of the Communist attack. . . This is the identical minority tactics before which men have yielded in eastern Europe and governments have fallen and freedom has perished. . . ."

"It was not for me to yield before such pressure, as to have done so would have been a shameful betrayal of the immutable concepts for which our country stands. . . Rather was it because of this very threatened pressure that my decision was reached to make unmistakably clear my continuous readiness for public service."

These are the fighting words of a general

who understands the enemy and who knows that the best defense is to attack. The Korean problem is only a small part of the world problem. An aroused public likely will force Truman to allow Chiang-Kai Shek to fight for the liberation of his own country against the Communist imposters. That will immediately force Stalin to pull Chinese Communists out of Korea to defend the China mainland. This single reversal of policy by Truman would give us a victory almost immediately in Korea.

But MacArthur will not then fade away. He said at Chicago the thing we have wanted to hear him say: "I shall fight . . . Communism as long as God gives me the strength to fight."

God give him strength!

HAIL, RED HERRING HARRY!

All hail Red Herring Harry,
The Man from Kansas Town,
Who cut MacArthur's throat
And thus won Red renown!

The Reds began to celebrate
And Uncle Joe sent 'thanks';
Off afar where Koreans are
There died a hundred Yanks!

All hail Red Herring Harry,
A patriot (?) bold and brave,
A man who held to politics
As our son lay in his grave!

And forever shall we remember
That little man who failed,
Who turned from Right to Left
As in his heart he quailed.

When, some day in the future,
We weep o'er our hero dead,
Mothers of America, remember
The man who played it Red!
